Bd's Ref.No.179748.K.52.CS dated 11.1.1954.

From

Sri M. V. Subramanian, I.C.S.,
Commissioner of Civil Supplies.

Sri P. Sivasankaran Pillai, I.A.S.,
Secretary to Board of Revenue (In charge)

Read: From the Collector of South Kanara No.3185.51 Pl dt.1.11.52.

In Board's reference No.B.P.Rt.1541.49 CS dated 10.9.49 (copy sent to the Government) instructions were issued to the Collector of South Kanara to allow interest at 4 % per annum on the capital invested by the procuring agents in respect of the locally procured foodgrains held in storage for over three months and to pass on the interest so allowed to the consumers by adding it on to the wholesale issue price. The Collector of South Kanara reported that a sum of Rs.4920.13.9 is due to the Cooperative Stores by way of interest for the quarter ended 8.12.51. As the Stores had no local stocks of paddy and rice and as there was no local procurement, the Collector in his letter dated 1.11.52 reported that the recoupment of the interest charges by an increase in the issue price of local rice or paddy was not possible and that the interest due to the Stores, namely Rs.4920.13.9 for the quarter ended 8.12.51 was ordered to be adjusted from out of the excess collection of Rs.6289.1.2 made by way of stencilling charges by the Cooperative Stores during 1950-51. Deducting this, the excess collection of stencilling charges still available with the Cooperative Stores comes to Rs.(6289.1.2 minus 4920.13.9) 1368.3.5.

2. The Collector reports that the balance of excess collection still available with the Stores namely Rs.1368.3.5 may be adjusted towards the interest due to the Stores for the subsequent quarter ended 8.3.52 and requests that his action in having ordered the adjustment of Rs.4920.13.9 may be approved

3. According to the existing orders of the Government, excess collections made are to be credited to the Government and are not to be adjusted against short collections unless the excess and short collections are made in one and the same consignment. The excess collection of stencilling charges and the interest recoverable by the South Kanara Central Cooperative Wholesale Stores under reference do not relate to one and the same consignment. Since the consumers have already borne the excess collection of Rs.6289.1.2 and since interest charges cannot now be recouped by increasing the release prices, the Board submits that the adjustment of Rs.4920.13.9 ordered by the Collector and that of Rs.1368.3.5 proposed by him may be approved.

Sub: RICE AND PADDY - South Kanara dt stocks held over for 3 months - Claim of interest by S.K.C.C.W. Ltd., Report -

It was found that the S.K.C.C.W.Stores, Ltd., Mangalore made an excess collection in recouping the stencilling charges on the imported rice received in 1950-51. In my Ref.22240-51 Pl dt.27.2.52 sanction was accorded to the adjustment of the excess collection against the interest charges on local rice held for over 3 months. The excess collection made under stencilling charges is Rs.6289.1.2. The President, SKCCW, StoresLtd., Mangalore has accordingly adjusted Rs.4921.6.6 from out of the above collection of Rs.6289.1.2 towards the interest claimed for the quarter 9.9.1951 to 8.12.1951. He proposes to adjust the balance of Rs.1,367.10.8 towards the interest relating to the next Quarter. According to the notes of inspection of the Accounts Instructions Party, communicated in Board's permission is necessary for the adjustment of such interest on stocks held for over 3 months.

2. The recoupment of interest charges was being made by an increase in the issue price of local rice hitherto. The total stock of rice and paddy held by the Stores for over 3 months and the interest at 4 % due on it for the quarter 9.9.51 to 8.12.51 are given below:

	STOCK HELD.	VALUE.	INTEREST.
Rice.	20,20,174--2--8¼	Rs.2,82,82,448-1-4	Rs.3,099--7--3
Paddy.	26,73,415--2--2	1,66,28,303-15--6	1,821-15--3
			4,921--6--6

As the stores does not hold stocks of local paddy or rice now, and as there is no local procurement in this district, it is not possible to recoup the amount of interest by an increase in the issue price of local rice or paddy. I, therefore, request that the Board may be pleased to approve of the djustment of the excess collection of Rs.6289.1.2 towards the interest due to the Stores, viz. Rs.4921.6.6 for the quarter 9.9.51 to 8.12.51 and also the adjustment of the residual excess collection of Rs.1367.10.8 towards the interest due to the Stores on stocks of local rice and paddy, held for over 3 months in the next quarter i.e., quarter ended 8.3.52 for which the interest due will be determined in consultation with the Stores.

3. Copies of statements showing the stocks of rice and paddy held by the Stores during the period from 9.9.51 8.12.51 are enclosed.

4. The President, S$K.C.C.W.Stores, Ltd., Mangalore submitted his claim for interest for the quarter ended 8 as late as on 27.6.52. As the claim was defective, th President was asked to revise it. The revised claim w received only on 13.10.1952. Hence, the matter could be reported to the Board earlier.

Memo No. 5998 AII/54-1-d 27-1-54

Subs: C.S.— Rice and paddy — S. Kanara Dt.—
Interest due to the S. Kanara central cooperative Wholesale Stores on stocks of local rice held over three months — Adjustment from out of the excess collections made by the stores by way of stencilling charges.

Ref: 1) From the collector of S. Kanara No. 3185/51. Sk. dated 1-11-52.
2) From the Bd. of Rev (C-S.) No. 179748 Sk/52 C.S. d. 11-1-54.

In his letter first cited, the collector of S. Kanara has reported that the interest due to the S. Kanara cooperative wholesale stores for the quarter ended 8-12-51 was Rs 4921-6-6 and that deducting this amount from the excess collection of Rs 6289-1-2 made by the stores under stencilling charges, the balance that has still to be adjusted towards the interest due to the stores is Rs 1367-10-8. The Bd. of Rev (C-S.) has, however, reported in its reference second cited that the interest due to the stores for the quarter ended 8-12-51 was Rs 4920-13-5 and that the balance which still remains to be adjusted against the excess collection is Rs 1368-3-5. The Bd. is requested to explain the discrepancy urgently.
